Atlantis: Egyptian Genesis

Ian Driscoll, Matthew Kurtz

Atlantis: Egyptian Genesis Ian Driscoll, Matthew Kurtz

The myth of Atlantis has puzzled researchers for decades. The debate over its meaning has raged for more than two millenia. Was it an historical island-nation, a political metaphor, a spiritual allegory, or none of the above? In this work, the authors explore the Egyptian roots of Plato's famous narrative, and examine the strange similarities between Atlantis and worldwide creation mythologies. A fresh and unique look at an ancient enigma, the book is essential reading for anyone interested in the mystery of Atlantis, layman and scholar alike. With an appendix on Egyptian mythology and its connection to Plato's Atlantis by renowned musicologist Ernest G. McClain.
