Regular Sex ~ Issue 5 ~ Maid for You (The Regular Sex Series) Kitty French

Extract from Maid for You...

It's Don's fortieth birthday in three days, and I've decided to give him a birthday present he won't forget in a hurry. I'll share this with you upfront - we've been married for over ten years and our sex life has become dull. It happens to most couples I'm sure, but lately the only big O's in my life have been at the beginning of OMG he's finished and I haven't even started yet, and even those O's have become rare. Don't get me wrong; I'm not blaming it all on Don. I'm just as guilty of letting things slide. He's too tired after a long day at work or going to the gym. I'm too busy thinking about the kids birthday parties or racing to read the end of my book for book club tomorrow because I've not got around to it all week. Oh, I always intend to, but it's one of those misery-lit things and I generally prefer to read something racier. Much racier, if I'm honest. That Fifty Shades has a lot to answer for!

Actually, that's sort of what's got me thinking about doing something more adventurous for Don's birthday. There's only so many new shirts a man can need, and his bedside table's stuffed full of aftershave. No. This birthday, my husband is going to get his mind blown. And maybe something else too, depending on how he reacts.

End of extract - click buy to find out if Don enjoys his birthday surprise!
