Sperm Donor Antwan Floyd

Sean Pederson was what most women would call easy on the eyes. Tall, peanut butter complexioned, muscular frame, with long flowing dreads. It was true he had his pick when it came to the ladies and once he got a woman, he had a woman-it wouldn't take much for him to persuade her to give him what he needed. Money, shopping sprees, sex he was living a bachelor's dream. His fancy free lifestyle is threatened when the three children from a relationship gone badly are abruptly thrown in the mix. Going from worrying about no one but Sean to have to support to have to support and nurture three little girls virtually overnight will Sean stand up and be the man his children needs him to be? Or will he abandon his responsibilities and prove to his children's mother that he's nothing more than a Sperm Donor?
