The Oath (Knights Templar Book 29) Michael Jecks

1326. In an England riven with conflict, knight and peasant alike find their lives turned upside down by the warring factions of Edward II, with his hated favourite, Hugh le Despenser, and Edward's estranged queen Isabella and her lover, Sir Roger Mortimer. Yet even in such times the brutal slaughter of an entire family, right down to a babe in arms, still has the power to shock. Three further murders follow, and bailiff Simon Puttock is drawn into a web of intrigue, vengeance, power and greed as Roger Mortimer charges him to investigate the killings.

Michael Jecks brilliantly evokes the turmoil of fourteenth-century England, as his well-loved characters Simon Puttock and Sir Baldwin de Furnhill strive to maintain the principles of loyalty and truth.

Phyllis Spencer:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.
