"How To Give Your Man The Best Blow Job He's EVER Had...Starting TONIGHT!"

Today I'm going to share a few tips with you about how to make any man practically addicted to you (and no one else).

You see, it's easy to spot the guy who's happy with his sex life...the way he looks at his woman ...how he can't keep his hands off her...He's happy alright, because she is giving something he's fantasized about his entire life.

Most guys aren't going to break up with a great girl if she doesn't know what she's doing down there, but those guys will secretly be disappointed the entire duration of the relationship...and when guys are not satisfied, well, you know what can happen.

But don't worry, I'm not trying to make you depressed because there is a light at the end of this tunnel!

And the BEST part is, it doesn't even matter what you look like, how old you are, or how much experience you've ever had, once you learn how to give your man the blowjob he's always fantasized about, you will become the most memorable lover he has ever had! You see, the mouth can offer delicate pressure, suction, and wetness that offers a unique, earth-shattering sensation for men if done right.

The only problem is, it's almost impossible for YOU to know the difference between a good blowjob and a bad one.

But I guess it makes sense...I mean, how the heck are women supposed to know what feels good for a man?

If you ask your man what feels good too often you run the risk of embarrassing yourself and sounding needy and inexperienced...OR...You continue to give him blowjobs not knowing what you're doing but HOPING it feels good, meanwhile he's counting the seconds until you're finished...so what's worse?

Unfortunately both of those scenarios aren't good. And up until recently you didn't have any other options...

The reality is, most women just don't know what they're doing and most men are too nice to tell them that they suck (excuse the pun), so how are YOU supposed to satisfy your man? You can't. But lucky for you, you've found this book! And from now on you will NEVER have to worry about not pleasing your man EVER again!

Before I go any further, let me tell you who I am and why you should listen to me.

Hi. My name is Calvin Anderson, and I'm a man.

As a man I can give you a back-stage pass into the minds of men to show you what we fantasize about ...the kinds of things that you as a woman have NO way of knowing.

I'm a straight guy who's not afraid to reveal the truth. I'm not your boyfriend or your husband, and I'm not worried about hurting your feelings. I'm going to give you the most honest straight-forward advice you'll find anywhere ...and it will change your sex life FOREVER!

I've had enough "inexperienced" lovers and not enough "memorable" lovers, so today I am going to teach you the difference between the two, and how to give the man in your life insanely sexy memories that are going to turn him on for the REST of his life.
