Space Vulture Gary K. Wolf, John J. Myers

They grew up together in a tiny Illinois town and together discovered the special thrills, the magic and wonder, that only science fiction and fantasy can offer. Half a century later, Gary K. Wolf (creator of Roger Rabbit) and John J. Myers (Roman Catholic archbishop of Newark, New Jersey) are still the best of friends. They still love fantastic fiction and its ability to stretch the mind, enrich the spirit, and warm the heart.

Determined to recapture the exhilarating science fiction of their youth, not just as it was, but as it should have been, they will transport us to the far reaches of the galaxy, where the mere mention of the interstellar pirate known as Space Vulture strikes fear into every heart and where a pioneering settler's only hope on a hardscrabble colony world is that the dauntless lawman, Marshal Victor Corsaire, will rocket to the rescue.

Come along for the ride and discover all the adventure, suspense, action, and fun that Gary and John first found in science fiction fifty years ago and share with you now in this rollicking tale of the spaceways.
