Are Church Folk Running People Away From God? Breaking the Code of Silence Cathy L. Harris

For generations, several controversial topics have circled the church. As a result, people's hearts have become hardened towards Christianity and God. Today, many churches have become the melting pot for confusion, frustration, and abandonment -- church folk are being named as the blame.

Evangelist Cathy L. Harris, who has battled on both sides of the fence, has come to embrace John 10:28-29: "If we truly belong to the Lord, no man can pluck us out of His hand." Are church folk running people away from God? Many seem to think so.

In her new book, she breaks the code of silence and gets to the heart of things as she addresses ten very controversial topics -- topics that the enemy uses as tools to turn people away from God. Some of them include: Why do Christians Tithe? Do We All Serve the Same God? Is There a Literal Hell? and The Real Reason People Turn Away from God.

Fully committed to her call with a passion for Christian Apologetics, Evangelist Harris sets out to provide clarity, dispel the myths, and destroy the strongholds that the enemy has had over people throughout all of Christianity. Her endeavor is to lead multitudes back to the Father, through His Son Jesus Christ.

This book was designed for such a time as this! Thought-provoking, compelling, and cutting-edge prophetic is the only way to describe it. This easy read includes built-in subtitles, along with five detailed self-reflection questions after each major topic. It's great for personal devotions or small groups, and a wonderful study for those who are new in their walk with the Lord.
