Jake was a man every woman had dreamed of. His tall frame which measured up to 6'2 would make every woman look up to him. His taunt shoulders would beckon a woman to circle their arms around them. His hard chest would force a woman to rest her head on it. That curved butt always covered in those body clinging jeans would make every woman want to grab it. Those jeans also told the women that he was well endowed.

Most of the women would fantasize about wanting to rip his clothes apart and make mad passionate love to him. His walk told the world that he was the alpha male.

Cheryl always loved the city life and she had no thoughts of leaving it. The high rise called out to her even when she used to visit her family in Texas. She had a beautiful curvy figure that felt divine in a man's arms. Her breasts were firm and were easy on the hand. Her waist narrow which suddenly swelled from her hips. Her body was just right for any man to make love to.

However, her face told a different story. Her looks told the world, only the man she wanted could get her.
