Horace Logan

Elvis, Hank, and Me: Making Musical History On The Louisiana Hayride Horace Logan

In 1948, Horace "Hoss" Logan, a young radio producer in Shreveport, Louisiana, started booking talent for a new weekly music show called the Louisiana Hayride. Performed for a live audience and broadcast nationally over the CBS Radio network, the show became known as the "Cradle of the Stars." In this affectionate memoir, Hoss Logan recalls the Hayride's heyday with behind-the-scenes anecdotes about the dozens of musicians he knew and nurtured, including Johnny Cash, Johnny Horton, George Jones, Willie Nelson, Elvis Presley, Jim Reeves, Kitty Wells, Slim Whitman, Hank Williams, Faron Young, and many more. As producer, emcee, and friend to the Hayride performers, Logan gives us a personal look into musical history - from Hank Williams's ups and downs to the teenage Elvis's first performance on national radio to the ways the Hayride's many emerging stars expanded our idea about what country music could be.

David Auman:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Elvis, Hank, and Me: Making Musical History On The Louisiana

Hayride can make you feel more interested to read.
