I Knew I Loved You Before I Met You Bhaskar Gangwal

A kid whose mind can never concentrate on studies is hated by all the teachers in his school as he often fails his exams. He finds a friend and a teacher in the form of his grandfather who has fun with him and always teaches him to be happy. He used to listen to a song which claims that the lover knows the girl who he has fallen in love with even before he meets her. This song used to arouse many questions in his mind about love. With time, he improves his academic record and gets into an engineering college. He was challenged again by the studies but he does not give up even though there was no one around to help him. Later during his college years he meets a girl and falls in love with her . Find out what happens between both of them and how he knew her before he had even met her.
