Strategic Management: The Challenge of Creating Value Peter FitzRoy, James Hulbert, Tim O'Shannassy

Strategy is often the capstone class in a business education - dealing with the big questions of what companies decide to do - innovate, diversify, acquire or even to employ a range of these strategies.

Benefitting from an international author team, the latest edition of this textbook stands out in its global perspective. With an emphasis on value creation, integration of financial considerations alongside coverage of areas that are often missed in competitor texts, such as financial implications for strategy, corporate governance and business ethics. The book also integrates a wide range of in-depth case studies, including Siemens AG, Intel, the Volkswagen Group, PerkinElmer and the Tata Group.

Supplemented by a wide range of cutting edge online case studies and other internet resources, this text will provide students and their instructors with everything they need to succeed in this tough environment.
