Lao Tzu's Tao Teh Ching is one of the world's most widely translated and cherished works of ancient Chinese spirituality. The Tao Teh Ching presents the core of Taoist philosophy and provides practical guidance for living a full, natural and balanced life. Hua-Ching Ni has also included the Hua Hu Ching, an important later work of Lao Tzu. The Hua Hu Ching was lost in written form for over a thousand years, but was carried forward in oral tradition by devoted Taoist masters.

Hua-Ching Ni, author, teacher and healer, addresses the essential nature of human life and works to further the personal growth and spiritual development of this and future generations. He was raised in a family tradition of healing and spirituality that is continued by his two sons, Drs. Daoshing and Maoshing Ni, and by his many friends and supporters throughout the world.
