“Had me emotionally involved right from the start ... Brilliantly written” – That Thing She Reads

A memory: golden-tipped sand dunes, early June heat waves blurring the Northumberland coastline. Michael racing towards the shore, Emily on his shoulders, their laughter ringing out against the crash of the rolling waves. A family together.

Two years later, and the landscape of Kate’s marriage has changed irrevocably. When Michael came home one evening and dealt the fateful blow to their marriage, neither could have imagined the heart-wrenching journey stretching before them.

Her happy home with Michael and their two beautiful girls has been washed away like footprints in the sand.

As he tries to build a new home from home, Michael’s about to learn just how precious his family is. Kate’s left dealing with the consequences but can you ever forgive such a betrayal? And when your marriage is torn apart, all hope hanging by a thread, what will it take to stitch it back together?

“Grab this book, curl up on the couch and prepare to have a few lump in your throat moments” – Celeste Loves Books
