The Mother Goose tale has already famous for their lovely stories with the rhythms or lyric or nursery rhymes. They also has the beautiful pictures for many versions. This kindle e-book is very lovely for its original illustrated pictures and also the new illustrated pictures that includes in the book can be the model for children to practice their drawing or cartooning too.

Nursery rhymes are often consolidated into collections, such as Mother Goose, a famous collection of nursery rhymes that actually originated in France. Translations were published in England and the United States, and later authors added rhymes or new interpretations to the collection. Many English-speaking children are familiar with at least one collection of Mother Goose rhymes. Some of these collections use very old rhymes, so the language of a Mother Goose nursery rhyme can sometimes be confusing for modern children, but it provides an interesting window into the way that people once spoke.
