Striker Patricia Green

Detective Jase Striker doesn't want a partner on the job, and when he's saddled with Angelica Piccolino—a rookie in the homicide division—he's more than a little annoyed. But his irritation with his sexy new partner soon morphs into a blistering passion, and though he fears what mixing work with pleasure will do to his crime fighting abilities, she soon proves irresistible.

Despite her diminutive size, Angelica is no stranger to the streets, and at twenty-six years old she's tired of being treated like a kid. Yet somehow, when her attitude pushes Striker too far and he takes her over his knee for a bare bottom spanking, it merely leaves her desire for him burning even hotter.

Forced to work together as a team, Striker and Piccolino must race against time to hunt down a serial killer whose only calling card is a white rose left with each victim. Can they bring the white rose murderer to justice before another victim turns up?

Publisher's Note: Striker is an erotic romance novel that includes spankings, sexual scenes, and more. If such material offends you, please don't buy this book.
