Keeping up with all of hockey's cool facts can make your brain freeze. You need to take in long timeframes (the NHL has been around for almost 100 years) and big numbers (Wayne Gretzky scored almost 3,000 points in his career).

Key facts and fun details about the game of hockey come alive through infographics. The "data art" provides opportunities for readers to visually take in information about the sport through charts, maps, and illustrations. The vibrant infographics on each spread appeal to struggling readers and offer a foothold on understanding information and statistics.
