For Love or Money: A Billionaire Romance (Book One) Anne Black

I'm stranded on an island with the hottest guy on earth and all I can think about is getting away from him.

I just wanted a tropical getaway without any vapid, rich people bossing me around. As an assistant to America's most infamous celebrity family, I get plenty of that at home.

But instead of relaxing in paradise, I'm trapped in a hurricane with Cade Worthington, an arrogant billionaire who thinks every eligible woman should drop her panties at the sight of his bankroll.

Cade's used to getting everything — and everyone — he wants. But I don't have time for his nonsense because I'm about to lose the one thing keeping my family out of trouble: my job. I need money and stability, but Cade can only offer one of those.

So why can't I keep my hands off him?

The first book in the three-book "For Love or Money" series, this is a novella-length introduction.
