## **How To Draw Dragons** Mark Bergin

The How To Draw series takes a highly visual and practical approach to drawing, featuring step-by-step illustrations for each art project. This comprehensive handbook covers how to draw all types of dragons, including how to convey the flames erupting from a dragon's mouth and how to get a realistic scale effect on the skin. It covers all aspects of the creative process, including essential concepts such as materials, composition, perspective and technique. Duotone line illustrations highlight each step.
