#### **Betty Bobbitt:**

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we

know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Report XVIII of the [California] State Mineralogist Covering Mining in California and the Activities of the State Mining Bureau. Vol 18, No.4; April, 1922 can make you feel more interested to read.
