## **The Magic of Art** Sharada Sivaram

"Any art form, be it music, dance, painting or sculpture, has the capacity to uplift humans to a higher level of happiness, peace, tranquillity and even bliss.

A software professional speaks of her journey with art, how art has been her companion and solace through the toughest times in life, and how she believes in its therapeutic effects on disturbed children and the ailing...

Through the author's narrative of her journeys to UK, USA, Europe and the Far East, the reader can feel transported to these far-away lands, and experience the cultural heritage they have jealously guarded and preserved through the terribly turbulent periods of their history.

A sure treat for anyone interested in art, architecture and history..."
