The Remingtons: Harvesting Love (Kindle Worlds Novella) Christine Cunningham

“No Beatrice, I don’t love you.”

For ten years those words echoed in the mind of professional organizer Beatrice Sanders. She buried her painful past beneath a life of order, control, and solitude.

William Connors passes the days by losing himself in woodworking and farming in his family owned apple orchard. He’s haunted by the moment he chose a woman who made sense for the farm, but not for himself, just like his father had.

Five years after William’s divorce, he makes a decision he hopes will change his life, and seeks out Beatrice, the only woman he ever loved--and the one he betrayed. William hopes to plant a seed of forgiveness in her heart, but does time really heal all wounds?
