## **Doctor Who: The Year Of Intelligent Tigers** Kate Orman

The weather is going to hell. The tigers are coming to town. And the Doctor has taken his violin and vanished.

The island world of Hitchemus is home to a colony of musicians and seemingly harmless alien animals. When the storms and the tigers break loose, the Doctor tries to protect the humans - but the humans don't want him. When he ventures into the wilderness in search of the tigers' secrets, Fitz and Anji find themselves on their own, trying to prevent a war.

With both sides eager for blood, and hurricanes on the horizon, the Doctor must decide whether this time he's on the side of the human race.

*Featuring the Eighth Doctor as played by Paul McGann in the hit sci-fi series by BBC Television.*
