The man she could never forget

Back in Salvation Falls after seven years in Boston, Meredith Connolly has transformed into a sophisticated businesswoman with two goals in mind:

1. Prove her father, who died in jail, was innocent and unmask the real culprits.
2. Avoid Hunter Donovan, who broke her heart and ran her out of town.

But to achieve her first objective, Meredith will have to sacrifice her second. Because Hunter is the town's sheriff, and that means there's no escaping him—or the way he makes her feel!
