Andrew Beyer

In *The Winning Horseplayer*, Andrew Beyer builds on the strategy of speed handicapping that he detailed brilliantly in *Picking Winners* by introducing the concept of trip handicapping. Through an unbeatable combination of case studies and lively anecdotes, Beyer shows the smart bettor how to combine past performance data with an understanding of trips, track bias, and pace. This advanced guide to handicapping, which includes a new preface by the author, offers a generous dose of the wit and wisdom that have made Beyer a legend in the sport.
