Travels with Harley: Journeys in Search of Personal and National Identity Christopher Holshek
Colonel Holshek's *Travels with Harley* ? A journey through America in search of personal and national identity is one veteran's rumination on citizenship and service, freedom and responsibility, and what it means to be an American in today's world. This journey within a journey is more than a book about insights and perspectives gained from a 30-year civil-military career and seeing America from the outside in. It taps into a broader movement ? a call to action ? for every one of us, in every generation, to go through our own journey to find out who we are and what we're about so we can face today's complex and dynamic world, navigate the fog of uncertainty, and weather the storms of change.
