#### Almost Alice Phyllis Reynolds Naylor

Is it possible to be too good a friend -- too understanding, too always there, too much like a doormat? Alice has always been a good friend to Pamela and Liz, a best friend to Pamela and Liz. But she's starting to wonder where that leaves her: What am I? An ear for listening? An arm around the shoulder? And then there's Patrick -- after ending their relationship two years ago, he's suddenly calling again, and wants to take her to his senior prom. What does that mean? As Alice tries to figure out who she is in relation to her friends, she learns one thing -- sometimes friends need you more than they let on...especially when the unthinkable happens.

Always honest, brave, and true, the *Alice* series never flinches from big issues, and never discounts the small ones.
