Metallica: The Complete Illustrated History

Martin Popoff

Metallica: The Complete Illustrated History Martin Popoff

Formed in Los Angeles in 1981, Metallica has become the single bestselling heavy metal act in music history, with more than 100 million album sales to its credit. Now based in the San Francisco Bay Area, the band remains hugely popular worldwide: in 2009, Metallica's 1991 self-titled LP became the bestselling album of the SoundScan era.

In this book, the first complete illustrated treatment of the band, acclaimed heavy metal journalist Martin Popoff leads a roster of respected heavy metal writers to take on Metallica's entire history, analyzing each of the group's ten studio albums (including 2011's *LuLu* collaboration with Lou Reed) and providing a complete discography. More than 300 images complement extensive band stories: their formative years spent woodshedding in the clubs of Los Angeles, tragedies like the death of founding bassist Cliff Burton, the triumphs of multiple platinum recordings, personnel changes like the departures of Dave Mustaine and Jason Newsted, and tours covering the world over. Live-performance and candid off-stage photographs are accompanied by a stunning selection of memorabilia, including gig posters, concert tees, picture sleeves, backstage passes, buttons, ticket stubs, and more.

By following the same critically acclaimed, high-quality format as Voyageur Press' previous books on Led Zeppelin, Aerosmith, Queen, Iron Maiden, and others, *Metallica: The Complete Illustrated History* is the authoritative tribute to one of history's most successful and admired heavy metal bands.

You can m0ore easily to read this book from a smart phone. The price is not too expensive but this book has high quality.

Donald White:

Are you kind of hectic person, only have 10 or maybe 15 minute in your morning to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because this time you only find book that need more time to be read. Metallica: The Complete Illustrated History can be your answer given it can be read by an individual who have those short extra time problems.

Irving Wile:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Metallica: The Complete Illustrated History can make you truly feel more interested to read.
