Social Work Practice: Cases and Principles

Cynthia D. Bisman

Social Work Practice: Cases and Principles Cynthia D. Bisman

Drawing on over 20 years of practicing social work and more than 15 years of teaching in the field, Cynthia Bisman has developed the components of practice (relationship, assessment, communication, self awareness/use of self, and intervention) into general principles that all practitioners can follow, regardless of their particular theoretical approach or specialized training. Through the use of case studies, this book articulates and analyzes professional social work case work practice and answers such questions as "What is practice?," "Is there a theory of practice apart from specific interventions?," and "How does one execute practice?" Readers will learn not only specific skills, but also how to think about what they are doing; how to understand practice within context of the profession's values, ethics, and historical traditions; and how to view the relationship of practice to policy issues.

From reader reviews:

Hattie Jasso:

Book is written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. As it is known to us that book is important matter to bring us around the world. Adjacent to that you can your reading ability was fluently. A e-book Social Work Practice: Cases and Principles will make you to always be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that open or reading a new book make you bored. It's not make you fun. Why they might be thought like that? Have you searching for best book or suited book with you?

Donna Lacher:

The book Social Work Practice: Cases and Principles can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Social Work Practice: Cases and Principles? A number of you have a different opinion about publication. But one aim which book can give many details for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or facts that you take for that, you can give for each other; you could share all of these. Book Social Work Practice: Cases and Principles has simple shape nevertheless, you know: it has great and large function for you. You can appear the enormous world by wide open and read a reserve. So it is very wonderful.

Marla Brinker:

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book that will improve your knowledge and information. The details you get based on what kind of e-book you read, if you want drive more knowledge just go with education and learning books but if you want really feel happy read one using theme for entertaining for instance comic or novel. Often the Social Work Practice: Cases and Principles is kind of reserve which is giving the reader unforeseen experience.

Gary Williams:

This Social Work Practice: Cases and Principles is great book for you because the content that is certainly full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Social Work Practice: Cases and Principles in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen small right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. busy do you still doubt in which?
