# The Nursing Assistant: Acute, Subacute and Long-Term Care (3rd Edition)

JoLynn Pulliam, Visual Education

**The Nursing Assistant: Acute, Subacute and Long-Term Care (3rd Edition)** JoLynn Pulliam, Visual Education

This easy-to-understand, full-color book consists of a concise and practical format. It reflects the most recent practice requirements—including the latest Center for Disease Control (CDC) guidelines, OSHA mandates regarding infection control, OBRA training requirements and updates, and JCAHO age-specific considerations. The book highlights the essence of what it takes to be a nursing assistant in today's competitive healthcare environment. A five-part organization describes the role of the nursing assistant, covers the essential principle of safety, presents the knowledge and skills of basic nursing care, highlights the main duties and procedures of the nursing assistant, and explores more specialized job skills and abilities. For nursing instructors and educators—a tool and text that can form the basis of any nursing assistant training program.
