A Ghost in the Machine: A Chief Inspector Barnaby Novel (Chief Inspector Barnaby Novels) Caroline Graham

When a bloody, pulverized body is found lying beneath the rustic timbers of an authentic torture device so vicious and complicated as to be blood-curdling, there's sufficient unrest in tiny Forbes Abbot to call in Chief Inspector Barnaby. Was Dennis Brinkley done in by crooked business partners, a teenage seductress, a couple of would-be publishers who've just inherited--and then lost--millions, or perhaps by tired, timid little Benny Fraye, who wouldn't hurt a fly--would she?

Barnaby will soon find out just who set in motion the gruesome machine that crushed the unfortunate victim. Caroline Graham's delightful cozy village mysteries, which inspired the continuing Midsommer Murders series starring Inspector Barnaby on A&E Television, have long been fan-favorites; *A Ghost in the Machine* is sure to cement her reputation as one of the best crime writers in the mystery business today.
