“Manipulate” is defined as “to manage or utilize skillfully”. That’s exactly the upper hand this book delivers to you - a skillful advantage. Success in life, love and your career requires the advantage to manage any situation you find yourself in. “Manipulate Anyone – 175 Awesome Brain Hacks, Tricks & Techniques” outlines researched and proven techniques of applied Psychology that allow you to steer situations to your advantage. #35 shows a simple way to turn an enemy into a friend. #61 easily reveals who you can trust – and who you can’t at the office. #99 is a subtle sales technique that dramatically increases your chances of closing the deal. And #156 delivers incredible results in the bedroom. There are 24 categories to choose from, including little mind tricks that help you study and provide instant recall at test time, ways to get someone to like you – or even love you, how to “up” your influence and value at work, how to carefully choose what you say and how you say it to see amazing results in the art of persuasion, even methods to get your kids to cooperate. No one is being brainwashed with these techniques. You won’t be able to force someone to act against their will. There are no diabolical, deceitful or downright dirty tricks involved...except maybe #82, so be very careful with that one. Critics of this book will say that it takes away the even playing field – it provides you an unfair advantage. You know what? Maybe it does. But life is short. So don’t play fair!
