ProQuest Statistical Abstract of the United States 2014 (ProQuest Statistical Abstract Series) Bernan Press, ProQuest

Questions come across the reference desk on all topics: How many hate crimes were there in 2008? Are there many book clubs in the U.S.? Do you have the GDP for the U.S. for the past 10 (or so) years? How many people use Facebook? All of these questions can be answered by the *ProQuest Statistical Abstract of the United States*.

Published annually by the Federal Government since 1878, *The Statistical Abstract of the United States* is the best-known statistical reference publication in the country, and perhaps, the world. You'll find it behind nearly every reference desk in U.S. libraries as the authoritative go-to source. Librarians value the *Statistical Abstract* as both an answer book and a guide to statistical sources. As a carefully selected collection of statistics on the social, political, and economic conditions of the United States, it is a snapshot of America and its people.

The *Statistical Abstract* print edition resembles the Census version that users know and love, plus more with:

- Thousands of tables from hundreds of sources and valuable, detailed bibliographic documentation
- Updated introductory sections and back-of-the-book index
- 8 ½" x 11" hardcover format to withstand heavy use
- 25% larger type for easier reading

Use the *Abstract* as a convenient volume for statistical reference, and as a guide to sources of more information.

From reader reviews:

Dawn Dustin:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each publication has different aim or even goal; it means that publication has different type. Some people experience enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is definitely reading a book. Consider the person who don't like studying a book? Sometime, particular person feel need book whenever they found difficult problem or maybe exercise. Well, probably you will want this ProQuest Statistical Abstract of the United States 2014 (ProQuest Statistical Abstract Series).

Nicol Thomas:

Reading a publication tends to be new life style within this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this ProQuest Statistical Abstract of the United States 2014 (ProQuest Statistical Abstract Series).

Mildred McConkey:

Exactly why? Because this ProQuest Statistical Abstract of the United States 2014 (ProQuest Statistical Abstract Series) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book include such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Troy Kemp:

In this period of time globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The actual book that recommended to you personally is ProQuest Statistical Abstract of the United States 2014 (ProQuest Statistical Abstract Series) this book consist a lot of the information with the condition of this world now.

This particular book was represented how do the world has grown up. The words styles that writer require to explain it is easy to understand. The particular writer made some study when he makes this book. That is why this book ideal all of you.
