Brody Walsh's life is left in disarray when his girlfriend is found brutally raped and murdered. But it completely shatters when his best friend, Nolan is arrested for the crime.

Even as the media is portraying him as a monster, Brody knows Nolan isn't capable of murder.

That leaves the question: Who is?

Once the trial begins, Brody discovers just how little he knew about his girlfriend, spurring him to dig into her past for possible answers. And as Aggie, his long time confidant and childhood crush, stands by his side through all of this, he finds his own past resurfacing when his feelings for her reignite. But as the media and the prosecutors close in on Nolan, ready to convict him for a crime he didn't commit, Brody will be forced to make a choice.

A choice that will lead to his untimely death.
