The Western Book of Crossing Over: Conversations with the Other Side

Sheldon Stoff

The Western Book of Crossing Over: Conversations with the Other Side Sheldon Stoff

This reflective series of conversations with his wife Lorraine after her death enables author Sheldon Stoff to take readers on a journey through the process of living, dying, and living again—in the afterlife. Insights gleaned from both Western and Eastern traditions, especially those of Kabbalah, provide a universalist, non-sectarian context for Stoff's experiences. With chapters addressing reincarnation, fulfilling one's life mission, life review, and the significance of finding one's soul mate, *The Western Book of Crossing Over* presents a transcendent view of human consciousness and what it means to be alive.

Packed with fascinating details about the afterlife, *The Western Book of Crossing Over* builds on the foundation laid by popular psychic authors Sylvia Browne and John Edward, and serves as a passionate reminder of the importance of keeping an awareness of the afterlife in order to live fully and authentically on this side of the life-death divide. Eleven original drawings of the Other Side based on the conversations between the author and his wife by their son Jesse provide a fascinating visual counterpoint to Lorraine's descriptions of the afterlife and her uplifting, ultimately hopeful and joyful messages of love.
