Aggressivity, Narcissism, and Self-Destructiveness in the Psychotherapeutic Rela: New Developments in the Psychopathology and Psychotherapy of Severe Otto F. Kernberg

In this book a leading psychoanalytic clinician and theoretician presents his thoughts on the latest psychodynamic developments and insights related to treatment of severe personality disorders. Dividing his discussions into two sections, one on psychopathology and the other on psychotherapy, Dr. Otto F. Kernberg examines borderline personality disorder, narcissism, sexual inhibition, transference and countertransference, suicidal behavior, and eating disorders. In each chapter he integrates the ideas of European and Latin American psychoanalytic thinkers, bringing them to the attention of English-speaking readers. This book includes a selection of recently published journal articles. Their collection into one volume makes readily available Dr. Kernberg's present thinking on an important subject.
