Hot Ice Rachelle Vaughn

Jace McQuaid made a name for himself in hockey by breaking all the rules. After a bitter divorce, he swore never to trust another woman again and convinced himself that they, just like his ex-wife, are only after his money. After yet another injury, Jace meets sexy massage therapist, Violet James, and begins to question everything. After finally opening up to her, he finds out she's hiding a shocking secret. Will Violet change his mind about love and massage away the block of ice around his heart or will her secret threaten to ruin everything?

From reader reviews:

Matthew Coleman:

What do you about book? It is not important along? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They need to answer that question because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need that Hot Ice to read.

Angela Drew:

A lot of people always spent their own free time to vacation or go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or playing video games all day long. If you need to try to find a new activity here is look different you can read a book. It is really fun for you. If you enjoy the book you read you can spent 24 hours a day to reading a book. The book Hot Ice it is extremely good to read. There are a lot of people who recommended this book. These were enjoying reading this book. Should you did not have enough space bringing this book you can buy typically the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too expensive but this book features high quality.

Ida Johnson:

Your reading 6th sense will not betray a person, why because this Hot Ice guide written by well-known writer who knows well how to make book that can be understand by anyone who read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still question Hot Ice as good book but not only by the cover but also through the content. This is one guide that can break don't judge book by its cover, so do you still needing one more sixth sense to pick this specific!/? Oh come on your examining sixth sense already alerted you so why you have to listening to an additional sixth sense.

Catherine Graziani:

Is it you actually who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Hot Ice can be the solution, oh how comes? A book you know. You are thus out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
