After the terrifying events of Minecraft Park, Steve retired from his life as a mob-hunter, planning to live out the rest of his days in peace. Unfortunately for him, however, this is not to be.

A short time after receiving a strange visit from an old acquaintance, a village near Steve's home is assaulted by a zombie horde larger than anything the now-retired mob-hunter has ever seen.

Going to seek help and information, Steve discovers that the world is on the verge of a Zombie Apocalypse, and only he can stop it! To do so, however, he will need to confront an old enemy in a battle he can't possibly hope to win.

Against all odds, will Steve prevail? Only by reading Zombie Apocalypse can you find out!
