Book #4 of the Consequences series:

From New York Times and USA Today bestselling author Aleatha Romig comes the thrilling continuation of a powerful series about secrets and deception, passion and love, and choices and consequences.

The unexpected fourth novel of the Consequences series, REVEALED: The Missing Years is...

“The captivating missing piece that continues one of the most intricate, enthralling, and suspenseful stories I’ve ever read.” – Vilma’s Book Blog

Readers saw what happened on that fateful afternoon at the Rawlings Estate and heard about the aftermath. This fourth novel of the series is told through the men in Claire Nichols’ life and fills in the gap of time that was only previously mentioned. Like dominoes falling in a line, REVEALED allows readers to experience the shocking repercussions one by one, and witness their effect on everyone in the game.

“REVEALED: The Missing Years fills in more blanks than you could have imagined.”- Schmexy Girl Book Blog

Share the struggle as Anthony Rawlings fights for what is his as the crashing consequences of his past threatens to change his world forever. Join Harrison Baldwin as he discovers the truth that threatens his beliefs, and John Vandersol as he come to terms with his revelations. Witness as Phillip Roach decides with whom his loyalties lie, and Brent Simmons demonstrates the meaning of friendship—no matter the cost.

Readers of this series survived the Consequences, learned the Truth, and know who was Convicted, but that is not all. Do not assume that Tony and Claire’s story is complete, because beyond the conclusion of Convicted there is more to be REVEALED!

"Circumstances do not make the man, they reveal him."–James Allen
