Tennessee Williams

The Two-Character Play Tennessee Williams

A classic play by Tennessee Williams in a definitive, author-approved edition.

Reality and fantasy are interwoven with terrifying power as two actors on tour?brother and sister?find themselves deserted by the trope in a decrepit "state theatre in an unknown state." Faced (perhaps) by an audience expecting a performance, they enact "The Two-Character Play"?an illusions within an illusion, and "out cry" from isolation, panic and fear. "I think it is my most beautiful play since *Streetcar*," Tennessee Williams said, "and I've never stopped working on it....It is a *cri de coeur*, but then all creative work,all life, in a sense is a *cri de coeur*."

In the course of its evolution, several earlier versions of *The Two-Character Play* have been produced. The first of them was presented in 1967 in London and Chicago and brought out in 1969 by New Directions in a signed limited edition. The next, staged in 1973 in New York under the title *Out Cry*, was published by New Directions in 1973 The third version (New York, 1975), again titled *The Two-Character Play*, is the one Tennessee Williams wished to include in New Directions' *The Theatre of Tennessee Williams* series. It is this version which is presented in this ND paperback.
