Shani Oates

This book explores historical and contemporary ideas of witchcraft through the perspective of the Clan of Tubal Cain - a closed Initiatory group aligned to the Shadow Mysteries within the Luciferian stream. As students of arte we mediate the ancestral stream, teaching through practice with the sacred tenets of Truth, Love and Beauty. The Word is thus manifest in deed and vision. "A driving thirst for knowledge is the forerunner of wisdom. Knowledge is a state that all organic life possesses, wisdom is the reward of the spirit, gained in the search for knowledge. Truth is variable - what is true now, will not be true tomorrow, since the temporal truths are dependent upon ethics and social mores - therefore wisdom is possibly eternal Truth, untouched by man's condition. So we must come to the heart of the People, a belief that is based upon Eternity, and not upon social needs or pressures - the 'witch' belief then is concerned with wisdom, our true name, then is the wise people and wisdom is our aim." - Robert Cochrane 1931-1966
