A Southern Woman's Prayers Dorothy S. Warlick

"A Southern Woman's Prayers" follows the spiritual growth of a woman from the age of twelve, when life's mysteries begin to unravel; through her years of marriage, motherhood and career; through her midlife turmoil; and into the peace and understanding she has been given in her older years.

The perspective on life seen in these poems will touch the heart. But more than that, these prayers will lift the reader's spirit with laughter, one of the greatest gifts we have as humans. "A Southern Woman's Prayers" is an energizing treat to be passed from friend to friend.
