Football Metaphysics: World Cup 2014 Raven Mack

Football Metaphysics: World Cup 2014 is a team-by-team preview of the 32 participating national teams in the FIFA World Cup to be held in Brazil. But more than just a simple sports dork preview, Football Metaphysics digs into the underlying spirits behind each team's quest to accomplish more, and perform better. This is not merely the data point science behind the teams, nor the unexplainable religious fervor for each national squad, but instead occupies proudly all the beautiful grey area between those two extremes. Football Metaphysics is about life in general, and the universe at large, as focused through the microcosm of this summer's impending World Cup.
