How to Draw and Paint: Human Anatomy

Walter Foster

How to Draw and Paint: Human Anatomy Walter Foster

A working knowledge of human anatomy is essential for any artist who wishes to render the most realistic human form possible. Anatomy provides artists with an introduction to the complete male and female skeletal and muscular systems, including an in-depth look at the configuration of the human skull, with a comprehensive overview of the jaw—important keys to accurately drawing the human head. Not only will you will learn where bones are placed and how they are joined, but youÆll also discover how you can incorporate this knowledge into your art for improved realism, making this book an essential reference you will refer to again and again.
