## Readers say.....

"I bought this book because I wanted to learn everything about herbs as spices, herbal teas and how to dry them at home. Some herbs are easier to find and dry, some are not that easy. I don;t want to use dehydrator or oven, so I opted for air drying. I bought the book to mainly dry parsley and rosemary for my kitchen and chamomile as a tea. Definitely Recommended!!" .....Cathy

"Always hesitant about buying a book without looking at it. have looked at several on this topic and have been disappointed, not with this one. lots of good info on all types of drying, problems with each and helps with each type of herb. Feel it was an excellent purchase for the price" ..... AlyK
