McBeth and the Everlasting Gobstopper Dave Fogelstrom

McBeth and the Everlasting Gobstopper is a satirical look at teaching Shakespeare to high school students. Using Macbeth as a framing device, the authors move through the play while sharing insights and personal experiences from their time in the classroom. As a lighthearted look at the teaching profession, this book amuses, instructs, and reflects at the same time. A must read for anyone who has ever spent time in the classroom as a teacher, but universal enough to be enjoyed by all those who have ever set foot on a high school campus.
