Red-Eyed Tree Frogs - A Book of Stencils Penny Vedrenne

I would like to present this collection of four fun and playful stencils of Red-Eyed Tree Frogs. Each one has only five overlays and each overlay represents a different color. Full Instructions are included. The goal was to create a project for the crafter that would be easy enough to complete in a minimum amount of time and yet leave them with an art piece only lacking of their individual touches. These stencils can be used on walls, furniture, fabrics, floors, canvas or paper... Just use your imagination for where you can display these cute frogs. I chose the Red-Eyed Tree Frog for this project because I enjoy the many images of them in playful poses. Their bright colors in contrast with their serious expressions make them a friendly and fun addition to any art project. Also, I added the bonus of two Leaf Stencils for you to use with your Red-Eyed Tree Frog Stencils.
