He believes in destiny. She just wants to survive it...

At forty, Lady Cecilia Evangeline Stone thinks she has everything a woman could ever want. A title, a fortune, and four children who make her proud. After a marriage of convenience that was anything but convenient, she has no desire to complicate her life by including a man in it again. When her eldest son announces his engagement to a Russian actress in Saint Petersburg, Cecilia sets out to do what any good mother would do: stop the wedding. Unfortunately, destiny has other plans.

Konstantin Alexie Levin never considered himself to be a villain. In fact, he considers himself to be a Russian gentleman. Having grown up in a refined and well-educated family that embraced criminal life to avoid debtor's prison, the only thing preventing him from knowing happiness is the rest of the world. Everything changes, however, when Konstantin is given a chance to start life anew and travel to London to collect an unexpected reward for saving a man's life. To his surprise, he is about to become a hero at midnight to a beautiful aristocrat who desperately needs his help. The problem is...he wants to do more than save Lady Stone.
