Plenty of champagne, lots of snacks, a scary movie and a tiny amount of skimpy underwear.

What more did four naïve young girls need for a wild slumber party?

But Polly's best friend Bobbi had other ideas. She knew just how to spice the evening up.

The man-of-the-house was downstairs with his brother, and if she had her way it was soon going to be much more than champagne corks that we're popping in the bedroom.

*****WARNING***** this short story contains vivid descriptions of four young girls and their coming of age as they take part in a wild, champagne fuelled orgy of filthy sex, which includes explicit scenes of mutual masturbation, oral sex, anal sex, lesbianism and much much more.

This story is strictly only for persons of age 18+ and should only be read if you are comfortable with the subject matter and think you can handle what happens to these innocent young girls and the hands of two fit, experienced men.

Note – all characters in this story are over the age of 18, none of them are BLOOD related and everything that takes place is consensual and utterly depraved.

SAMPLE EXCERPT - I'm sorry, but due to the extreme nature of the filthy acts contained within, the publisher will not allow me to post a sample excerpt here, but, where available, you can click on "look inside" and get an uncensored preview of exactly what these horny girls get up to.
