Can you really fall in love with two men at the same time?

What if you find out they are brothers? How do you make that choice?

One night when Traci was at the bar she saw him. The cowboy of her dreams. Ever since that night she only went back for one reason. To see him again.

Traci didn't know how much her life would change after that night.

She found herself spending time with Sawyer, a hot farmer who was looking for a relationship. He wanted romance and dating. But then, when she least expected it, she met Cash, the sexy and mysterious cowboy she'd been dreaming about.

What she didn't know was that they were brothers.

As much as she would like to keep both, she couldn't. She had to choose between the two men she had started falling for. Would she pick the sexy cowboy or the hot farmer? She had to choose before the two men found out about each other, and her whole world imploded.

What would you do if you were forced to choose between the two men you were falling in love with?

When you can only have one.

**\*\*This is a super steamy 30,000 word novella with a love triangle. Packed with passion, lust and love. Complete with a happy ever after and no cliff hanger. Find out who Traci picks in The Choice!\*\***
