## **Gangsters, Geishas, Monks & Me: A Memoir of Three Years in the Underbelly of Japan** Gordon Hutchison

As a young American in a Zen monastery in a small Japanese fishing town and later as that town's only resident foreigner, Gordon Hutchison knows mistakes have consequences. But when he befriends the local yakuza boss, his life takes a dramatic turn into the unforgiving dictates of gangsters and geishas—where one misstep could cost him much more. Irreverent yet introspective, *Gangsters, Geishas, Monks & Me* chronicles Hutchison's odyssey through the foreigner-hostile backdrops of Zen, the yakuza and the "water trade" in his trial-by-fire initiation into Japanese culture. From below-freezing monastery winters to mob meetings with murder on the agenda to love cabaret-style, his graphic narrative is as thought-provoking as it is improbable. A story so rare, so revealing, that 60 Minutes tracked Hutchison down to interview "the only foreigner to hang out with yakuza," *Gangsters, Geishas, Monks & Me* takes readers deep inside clandestine worlds where few Japanese dare venture and no foreigner has gone before.
